Description

An elegant porcelain oval soup tureen, possibly John Rose Coalport or Coalbrookdale, painted in polychrome with birds and insects, gilt swag borders, 38cm wide, c.1830. The overall condition is very good with age-related wear and tear. We have noted a small area of wear to the rim of the plate and some light staining to the interior of the tureen. See images for details. Overall, a stunning example.
