Description

Fine & Heavy George V Solid Silver 1-Pint Tankard by Walker & Hall, Sheffield 1923 – Ex-Bonhams An exceptional, gauge-heavy George V solid sterling silver 1-pint tankard of straight-sided cylindrical form. Manufactured by the highly prestigious silversmiths Walker & Hall, this piece beautifully captures the design transition of the early 1920s, leaning into the clean, architectural lines of the early Art Deco movement. It features a strikingly modern, geometric D-shaped handle and is grounded by a crisp, machine-turned concentric reeded base. Crucially, the polished body is entirely unmonogrammed, remaining completely free from any personalized contemporary or subsequent presentation engravings. **Markings & Provenance** The upper body features an exceptionally crisp, deep, and well-struck set of hallmarks detailing the maker's mark (W&H), the Sheffield crown, the sterling lion passant, and the lowercase f date letter for 1923. The underside of the base retains its pristine, flat condition and is deeply stamped with the Walker & Hall chevron/pennant flag trade mark alongside the original factory design/inventory PINT numbers 53487 and 109. This piece boasts prestigious au...
