Description

Antique early 20th century chandelier in brass and cut glass crystal. The chandelier has a steel hook to the top with five brass arms supporting a moulded brass ring. Cut glass crystal swags are suspended from the ring, with the central section supported by three chains creating the inverted bag form. The height of the chandelier is currently 24 cm and can be adjusted by shortening the chains to approximately 21 cm high. Fitted with three B22 (large bayonet) bulb holders. sku 3947
