Description

Omega Vintage 161.5002 – 9ct Gold – Automatic – 35mm – 1962 A superb mid-century Omega dress watch, this reference 161.5002 from 1962 combines timeless design with the legendary Calibre 552 automatic movement. Freshly serviced and presented on a brand-new blue leather strap, it offers both elegance and reliability, backed by a 12-month guarantee. Key Details • Model: Omega Vintage • Reference: 161.5002 • Year: 1962 • Case Size: 35mm • Case Material: Solid 9ct yellow gold • Dial: Silver • Hour Markers: Gold baton markers • Hands: Gold tone • Crown: Signed gold Omega crown • Crystal: Plexiglass • Movement: Omega Calibre 552 automatic • Strap: New blue leather strap (can be changed upon request) • Water Resistance: Not waterproof due to age • Guarantee: 12-month mechanical guarantee Condition Report Case: Very good condition with no notable dents or significant marks – particularly impressive for its age. Dial: Original silver dial with some light age-related discolouration, adding authentic vintage character. Crystal: Clear with minor expected age-related wear. Strap: Brand new, unworn blue leather strap fitted. Overall: A strong, well-preserved and highly wearable vintage...
