Description

A gorgeous antique yew wood oyster veneer coffee table. It is in the Regency style, this was made in England and dates from around the 1930's. The quality is outstanding and this is a great size. The top has beautiful oyster veneers, there is yew wood cross banding and raised pie crust edges. This stands on a fine stretched base with X frame legs. We have had this revived and re-polished, the condition is excellent for its age. There is some minor wear and patina here and there under the polish, this is full of character and charm.
