Description

We were amazed when we found this super rare graduated antique 15ct Gold Albert chain, which weighs an impressive 37.2g. It is simply spectacular. Its warm hue of saturated, buttery gold radiates a luxurious glow, making it not just an accessory but a statement of style and refinement. This antique gold chain features a classic removable T-bar that was once used to hold a pocket watch through a buttonhole. It includes an antique gold dog clip and bolt ring, making it a rare find to have all three on one chain! These beautiful fastenings can also double up as charm holders, allowing you to add a personal touch! This rare and quality find would make a superb investment for the future.
