181 x 261cm Pale Antique Agra Carpet

Price

Sold

Item Reference: SA1216874

Date of manufacture: 1890

Description

Lovely creams and light blues with accents of coral and black really come together well in this antique North Indian carpet. A very useful small size, I get requested a lot for but don't have too many, Showing wear and a few small old repairs, but still strong for the floor and oh so terribly pretty! 5'11" x 8'7"
