Description

A very impressive American solid sterling silver salad servers. They are hallmarked STERLING along with the makers marks of Gorham. I would date them to c1890-1900. They have been superbly designed and it is in super condition being free from dings splits and repairs. They measure approx. 8.5 inches (22cm) long by over 1.75 inches (4.8cm) wide and weighs 160 grams. A very beautiful set.
