Description

A beautiful high quality English antique cast solid sterling silver belt buckle. It is hallmarked for Birmingham 1900 with the maker being Hilliard & Thomason. It has been superbly made being cast with a flowers design. It is in superb condition being free from dings splits and repairs. It measures over 3.75 inches (9.8cm) across by 2 inches (5.1cm) tall, the belt loops measure almost 1.75 inches (4.2cm) wide and it has a good weight of 50 grams. A very well made piece.

Internal Ref: 36301
