Description

This chest of drawers is in good condition. We have professionally hand stripped it chemically and sanded it ready to wax or paint. I personally think this would look excellent painted. The chest of drawers would look well in an old or modern property in a large bedroom. The chest stands on georgian bracket feet supporting the main section. There are two small drawers over three large drawers. The drawers have original swan neck handles and their key escutcheons. The drawers have dovetail joints and are pine lined. The top is in good condition with a slight bull nosed edge. The height is 103cm, the width is 98cm and the depth is 54cm.
