Description

These bedside cabinets are in good condition. They are from the victorian era and made from a lovely mahogany. The bedside cabinets would look well either side of a double bed in a large bedroom amongst similar antique mahogany coloured furniture. They would also look great as lamp tables next to a sofa etc. The bedside cabinets stand on a square plinth with an angled corner leading to four drawers. The drawers are graduated in size and all have original round turned wooden knobs. The sides are also angled with a lovely turned circular motif to the middle. The top is in good condition with a bull nosed edge. The height is 74cm, the width is 44cm and the depth is 49cm.
