Description

This box is in good condition. We have professionally stripped and restored it. We then waxed it in a lovely antique brown bri wax giving it a stunning patina. This box would look well in an old or modern property amongst similar antique pine decorative furniture at the foot of a bed in the middle of a living room for a coffee table or in a corner of a living room to place a TV on top. This box stands on a square plinth supporting the main section. There are four sides. The ends have their original brass carry handles. There is a lift up lid with plenty of storage space inside. The top is in good condition with a bull nosed edge. There is a candle box inside to the left. The lid is on its original metal hinges. The height is 43cm, the width is 85cm and the depth is 50cm.
