Description

These bedside cabinets are in good condition. They are from the Victorian era and made from a lovely burr walnut. The bedside cabinets would look well either side of a double bed in a large bedroom amongst similar antique mahogany coloured furniture. They would also look great as lamp tables next to a sofa etc. The bedside cabinets stand on a square plinth with an angled corner leading to four drawers. The drawers are graduated in size and all have original round turned brass knobs. The drawers are mahogany lined. The sides are also angled with a lovely turned circular motif to the middle. The top is in good condition with a bull nosed edge. The height is 80cm, the width is 44cm and the depth is 43cm.
