## Description

This chest of drawers is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The chest of drawers would look well in an old or modern property in a small bedroom. The chest stands on a square plinth supporting the main section. There are two small drawers over two large drawers. The drawers have a round turned wooden knob, dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. The height is 81cm, the width is 100cm and the depth is 45cm.
