Description

Antique Single Chain Fusee GVR GPO British Wall Clock With Stamped Numbered Case. This beautiful single chain fusee wall clock has a round case with a square back box. The back box then has a door to the bottom and side as well as four pegs so that the front section can be removed. The case also has its original stamps to the back box reading "NO3" to the top and "BT3I 238 NO3" to the back. The dial is then painted and set out in black Roman numerals. It is then signed "GVR" as well as "G.P.O" to the centre. The dial is then finished by two lovely shaped hands as well as a protective glass set into a brass bezel. The movement is then a wonderful chain fusee example. It is complete with its pendulum and winding key and ticks away perfectly. It measures approximately: - 12.5" / 31.75cm in Diameter. - 6" / 15.25cm Deep. - 10" / 25.5cm in Diameter Dial.
