Item Reference: SA1217115**Date of manufacture: 1960**

Description

A very large beautiful English solid sterling silver cut glass and enamelled pot or jar. It is hallmarked for London 1964 with the makers mark being TP. It has been beautifully made being having a white guilloche enamel and silver lid with a red stone finial. It is in super condition. The silver is free from dings splits repairs and dings, just the odd faint mark. The glass is free from cracks chips and repairs as is the enamel. It measures approx. 5.5 inches (14cm) wide by 2.5 inches (6.4cm) tall and weighs 590 grams. A beautifully made piece.

Internal Ref: 38559
