Description

Gents Omega bumper automatic wrist watch, 1950. UK POSTAGE ONLY FOR THIS ITEM. The watch has a bumper automatic movement, calibre 351, which is working nicely. The movement is fully signed and it has the serial number 12,023,448 which dates it back to 1950. The watch measures 33mm diameter excluding the winding crown and the lugs. The case is stainless steel and it is in good condition, just a couple of scratches to the edge of the screw-on case back. The inside of the case back is signed with the Omega logo, and also has the case reference 2635-1 which is correct for the calibre 351 movement. Omega signed winding crown. The lens is in lovely condition. The signed dial has been professionally re-finished at some stage, and it is in lovely condition. Dauphine shaped hands, blued steel centre seconds hand. A new leather strap has been fitted. The watch comes in a new presentation box.
