Description

Antique Italian theatre props (I believe), they are Paper Mache with little hanging wooden legs that swing ! They sit perfectly or could have fishing wire attached inside to the frame of the legs and be hung. I purchased three of these in Italy, they just made me smile, they are adorable. Finding such honest antique decorative items has become extremely hard over the recent years, I have never found anything like them before. "A smile is worth every penny" ! Priced at £550 each. Sitting – 8 inches high. Width: 8.5 inches (22 cm) Height: 11 inches (28 cm) Depth: 8.5 inches (22 cm)
