Description

A good example of a Georgian Sterling Silver decanter label for "PORT". The label is a rectangular shape with reeded border and hangs on a chain. It is good quality and well made and weighs approximately 6g. It is hallmarked for Birmingham, 1808 and the maker Joseph Willmore. It is in good condition for its age. There are some faint surface marks and light surface scratches and the engraving is slightly faded but it still displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the world £25
