Description

Antique 20th century Edwardian display cabinet in mahogany, very well made and of good quality. Beautifully decorated throughout, this elegant cabinet features a glazed central section with two doors and a single internal shelf, ideal for displaying treasured items, ornaments or collectibles. Above is an open display shelf supported by turned pillars, while the base incorporates an additional shelf, creating a wonderfully balanced and decorative design. Standing on turned legs and enhanced by attractive fretwork decoration and fine carved details, this piece showcases the quality craftsmanship and attention to detail associated with the Edwardian period. Retaining its original key, the cabinet boasts gorgeous mahogany grain and rich colour throughout, with beautiful proportions and a highly desirable size. The combination of open and enclosed display space makes it both practical and visually appealing. A particularly attractive example in good condition, displaying exceptional character, craftsmanship and charm. This beautiful piece has to be seen in person to be truly appreciated and would make a stunning addition to any home. Product Reference : AF - 5846 Measureme...
