Description

This antique 18th-century Georgian chest of drawers is a beautifully crafted piece, showcasing excellent quality and timeless period design throughout. Compact yet practical, the chest features three drawers to the front, all fitted with decorative brass handles and fittings that complement the classic Georgian styling. Raised on traditional bracket feet, the piece has elegant proportions and a refined appearance typical of fine Georgian furniture. The timber displays gorgeous natural grain and warm colour throughout, adding character and charm to this highly desirable example. Its attractive smaller proportions make it especially versatile, ideal for use in bedrooms, hallways, studies, or living spaces where both storage and style are important. Presented in good condition, this beautiful Georgian chest of drawers would make a perfect addition to any home. Product Reference : AF - 5764
