Item Reference: SA1217458

Date of manufacture: 1960

Description

This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. This is a classic vintage watch. It has a calibre 267 manual winding 17 jewel movement. This is probably the best version of the legendary 30T2 series the same movement that was used in the Battle of Britain pilots watches, highly reliable and robust. It is considered to be the best movement ever made by Omega. The satin black dial is in mint perfect condition having been fully restored. The facet cut baton markers are made of solid 18ct gold. It measures 34mm in diameter excluding the winding crown. A new glass has been fitted and the heavy solid 9ct gold case has been professionally polished so it is in superb condition. It has Birmingham hallmarks for 1960. It is fitted with a new high quality croc grain strap but we can fit almost any colour or style you prefer, we keep most things in stock. As you would expect the watch is fully marked on the dial, movement and case. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch has been fully serviced and is guaran...
