Description

A Really Splendid Antique Victorian Biscuit Barrel by Mappin Brothers of London. The body is circular with a hinged domed lid and a sculptural swan finial serving as the handle. The exterior is decorated with fine engraved swags, beadwork borders, and an ornate central cartouche reserve. Twin lion-mask mounts with drop ring handles add strong classical detailing and give the piece a satisfying visual weight – circa 1880. * The swan finial and lion-mask handles make this the sort of table piece that draws the eye immediately. Measurements: Height: 8" (approx. 20cm) Width: 8" (approx. 20cm) Depth: 6 1/2" (approx. 16.5cm) Total weight: 1164g In good condition – The piece presents well overall with bright plating and crisp decorative definition.
