Description

A striking antique mahogany Regency Revival bookcase cabinet dating from the late Victorian period, beautifully crafted with architectural proportions, carved winged sphinx supports, ebonised columns, and gilt decorative detailing throughout. The central glazed bookcase section is flanked by two enclosed cupboards and fitted with a pair of drawers below, offering an excellent combination of display and practical storage. Rich mahogany timbers, classical ornament, and impressive scale make this a superb statement piece for a library, study, office, dining room, or country house interior.
