Date of manufacture: 1910

Dimensions

Height = 83.5 cm (32.9")

Width = 65 cm (25.6")

Depth = 24 cm (9.4")

Description

An antique Japanese apothecary cabinet with a substantial bank of small drawers, originally used for organising herbs, medicines or specialist trade materials. The dark-stained timber has a worn, richly patinated surface, with areas of rubbing, old paper labels and tonal variation across the drawer fronts. Each small drawer is fitted with a metal ring pull, creating a gridded façade with strong practical and decorative appeal.

Internal Ref: 49396
