Description

This cupboard is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this for you in a lovely antique brown bri wax. Please email or telephone for a quote. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in an unfitted kitchen. The cupboard stands on square legs supporting the main section. There are two doors. The doors have one panel. Behind the doors there are four drawers to the left side. The drawers have dovetail joints and are pine lined. The drawers have original chrome cup handles. There are two shelves to the right side. They are not fixed so more shelves could be placed inside. The top is in good condition with a tray top around the edge. The height is 120cm, the width is 87cm and the depth is 40cm.
