Description

This cupboard is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this for you in a lovely antique brown bri wax. Please email or telephone for a quote. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in an unfitted kitchen. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one large door. The door stands on original victorian pin hinges and has one panel. The panel has a moulding around the edge and a metal vent to the top. We have fitted a new lock and key to the door. There are two shelves behind the door for storage. They are not fixed so more shelves could be placed inside. The top has a standard graduated cornice. The height is 141cm, the width is 81cm and the depth is 44cm.
