Description

A great looking and wonderfully worn smokers bow chair displaying some lovely wear in the right places on the frame, arms and seat. This one certainly benefits from being enjoyed and not being refinished or repolished like so many have been. It sits with a good rake and stance with its "fat" turned legs, well turned spindles and deep grain to the shaped elm seat. Like so many, we have a letter stamp to the rear of the seat and very likely made in High Wycombe. Looking for a chair that will slip into a period home, then this will do so with ease... A great looking Smokers Bow Chair. Dimensions Overall: Height 80.5cm x Width 53.5cm x Depth 56cm Seat: Height 46.5-44cm (Front-Rear) x Width 38.5cm between the arms x Depth 42.5cm When purchasing from us we include delivery in the purchase price which is based on a one person delivery for England and Wales.
