Description

We have a pair of English oak reclining armchairs which benefit from new woven chenille buttoned upholstery in a mixed oat colourway. Not too large, these would fit very nicely into a garden room, living room or cottage snug or you could separate and place wherever you so desire. The pair sit well and are in similar condition with nice historic aging to the oak frames and arms rather than being stripped or painted. C1915, they possess the ability to offer a more relaxed posture by a gentle push of the seat if you require a snooze or chill. As mentioned the upholstery is new so expect no marks, rips and good support. Price listed is for the pair not 1. A jolly handsome pair of early 20th English armchairs C1915. Dimensions Overall: Height 98cm x Width 72cm x Depth 83cm Seats: Height 38cm x Width 53cm x Depth 54cm
