Description

Gents Enicar 1005CH chronograph / wrist watch, pre-Sherpa. UK POSTAGE ONLY FOR THIS ITEM Gents Enicar 1005CH chronograph / wrist watch, pre-Sherpa. The watch has a Swiss 17-jewel Valjoux 92 hand-winding movement which is working nicely. The movement is fully signed with the Enicar Watch Co name. The regulator looks like it may have been replaced at some stage as it has the import code for Aero, who also used the Valjoux 92 movements in their chronographs. The watch measures 34mm diameter excluding the winding crown and the lugs. The case is chromium plated while the case back is stainless steel. The condition is good with just light marking, nothing serious at all, and the side has opened up a little where the back has been removed in the past (as shown in the photo). The lens is in lovely condition. The dial, signed with the Enicar through the Saturn logo, is in its original finish. The hands are original apart from the time recording subsidiary dial. This recording dial has three large markers at three, six and nine minutes. These were aimed at the businessman who made international telephone calls which were very expensive at the time. The calls were roun...
