Description

This cupboard is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this for you in a lovely antique brown bri wax. Please email or telephone for a quote. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in an unfitted kitchen. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two doors. The doors have one panel. Behind the doors there is a shelf and below are three large drawers. The drawers have dovetail joints and are pine lined. The drawers have original round metal victorian handles. The height is 139cm, the width is 96cm and the depth is 45cm.
