Description

A fine, small George III Sheraton period bowfront sideboard in flame mahogany, the crossbanded top above three drawers with decorative sunburst inlay and further tulipwood crossbanding, the whole on elegant square tapering legs terminating in spade feet. Elegant, useful and a real statement piece for any drawing, living or dining room, this sideboard, unlike so many, is a really useful size, even for smaller spaces, and the added bonus of the unusual sunburst decoration really sets this example apart from others. England. C.1780
