Description

An excellent antique leather and mahogany armchair / desk chair in the Georgian style. This was made in England, it dates from around the 1930's. The quality is fantastic, this is a great size and is very comfortable. It is perfect for use as a desk chair or and occasional armchair. The leather is brass tacked, the solid mahogany frame is nicely turned, elegant and sturdy. We have had the leather revived and hand coloured by our leather restorer, the mahogany has also been re-polished. This is in superb condition for its age, with a gorgeous colour and patina.
