Description

This cupboard is in good condition. We have professionally stripped and restored it ready for you to either paint or wax. We can wax this for you in a lovely antique brown bri wax. Please email or telephone for a quote. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in an unfitted kitchen. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There are two large doors. The doors stand on original victorian pin hinges and has one panel. There is a metal vent to each door. We have fitted a new lock and key to the door. There are shelves behind the doors for storage. They are not fixed so more shelves could be placed inside. The top has a standard graduated cornice. The height is 119cm, the width is 96cm and the depth is 43cm.
