Description

This chest of drawers is in good condition. We have professionally stripped and restored it ready to either paint or wax. We can wax this for you in a lovely antique brown bri wax giving it a stunning patina. Please telephone or email for a quote if you are interested. The chest of drawers would look well in an old or modern property in a bedroom. This is very heavy so I will require a hand off the van with it into your hallway. The chest stands on square back legs and round turned front bun feet supporting the main section. There are four large drawers. The drawers have a round turned wooden knob, dovetail joints and are pine lined. The drawers also have a moulding around the edge. The top is in good condition with a bull nosed edge. There are fluted columns and carved corbels to the sides. The height is 100cm, the width is 127cm and the depth is 64cm.
