Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in any room for any storage purpose. This is in one piece so if it is to go up stairs your staircase needs to be straight. It is also very heavy and I will require a hand off the van with it into your hallway. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one large door with one panel which has nicely rounded corners. The sides are grooved and there are turned columns to the top. Behind the door there are shelves for storage. The shelves are not fixed so more could be placed in if required. There is a key to lock the door. The top has a standard graduated cornice. The height is 169cm, the width is 100cm and the depth is 47cm.
