Description

A good clean brass table lamp from the early half of the last century. This is in tidy condition with clean brassware and has just been rewired to ensure safe to use. With a definite neo classical influence from the mid war years this has paw feet supporting it and a well detailed capital at the top of the reeded pillar. There is a small amount of rise and fall in the top part of the pillar. As with all our current stock priced to sell owing to forthcoming retirement. give us a call to discuss with pleasure 07957479998
