Description

Vintage Diamond & Pearl Drop Earrings 18ct White Gold c.1950 A beautifully elegant pair of vintage diamond and pearl drop earrings dating from the 1950s, crafted in luxurious 18ct white gold. Designed with graceful movement and refined sophistication, each earring is set with a sparkling brilliant-cut diamond stud which suspends an articulated pearl drop beneath. The cultured pearls display a lovely creamy ivory tone with subtle silver-pink overtones and an attractive lustre. The pearls are capped with exquisitely detailed 18ct white gold mounts, decorated with delicate beadwork and fine millegrain edging, creating a charming vintage aesthetic. The articulated design allows the pearls to move gently when worn, catching both light and attention. Classic, feminine and timeless, these earrings would make a wonderful gift and are equally suited to everyday elegance or special occasions.
