Description

A good example of an antique silver baby's rattle and whistle with a mother of pearl handle. The body of the rattle is beautifully decorated on both sides with a heart and the word 'DARLING'. It also has two small bells attached. It is hallmarked for Birmingham, 1919. It is in good condition for its age. There are some minor surface marks and a small chip on the end of the handle and one bell is slightly squashed (see photo) but it still displays beautifully. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6 Rest of the world £25
