## Description

A beautiful Austrian cold painted bronze figure of a cat, dating from the early 20th Century. It is well modelled with its original glass eyes. It was most likely made by Bergman and it is stamped 'Geschutz' on one side. It is in very good condition with a beautiful patina. There are some minor losses and surface marks but no major damages and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £6
