Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in any room for any storage purpose. This is in one piece so please bear in mind it is very heavy and I will require a hand off the van with it into your hallway. If it is go to up stairs please make sure your staircase is straight with no turns etc. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one large drawer to the bottom. The drawer has a circular moulding and two round wooden knobs. The drawer is pine lined. Above are two doors with a small circular bottom panel and a large oval top panel. Behind the door there are shelves for storage. The shelves are not fixed so more could be placed in if required. There is a key to lock the door. The top has a standard graduated cornice with a pretty carved section beneath. The sides have fluted columns and carved corbles....
