Description

This cabinet is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cabinet would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in any room for any storage purpose. This is in one piece and extremely heavy therefore I will require a hand off the van with it into your hallway. Please be aware the access to the room it is going into needs to be very large. The cabinet stands on square back legs and round turned front bun feet supporting the main section. There are two large doors with a small wooden bottom panel. Above are large glazed panels with beadings upon the glass. The sides are panelled which is a sign of quality. Behind the door there are adjustable shelves. There are four large drawers to the bottom with chrome cup handles. There is an original key to lock the door. The top has a standard graduated cornice that has stepped corners. This is truly stunning please buy with confidence! The height is 207cm, the width is 127cm and the depth is 56cm.
