Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look particularly great in a country cottage with low ceilings. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one door with two panels with a lovely moulding and rounding to the corners which is a nice feature. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. There is a key to lock the door. There are fluted columns and carved corbels to the sides. The height is 167cm, the width is 101cm and the depth is 52cm.
