Description

This cabinet is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cabinet would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in any room for any storage purpose. This is in one piece and extremely heavy therefore I will require a hand off the van with it into your hallway. Please be aware the access to the room it is going into needs to be very large. The cabinet stands on square back legs and round turned front bun feet supporting the main section. There are two doors to the bottom with a small wooden bottom panel. The doors are on their original metal pin hinges. There is a shelf behind the doors. Above are two drawers with a round turned wooden knob, dovetail joints and are pine lined. Above are two large glazed doors with a lovely moulding around the edge. They also stand on original pin hinges. Behind the doors is a scrolled shelf. The top has a standard graduated cornice. This is truly stunning please buy with confidence! The height is 180...
