Description

This cabinet is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cabinet would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in any room for any storage purpose. The cabinet stands on round turned legs supporting the main section. There is one large door with a small wooden bottom panel that has the most wonderful carving upon it. Above are two large glazed panels. Behind the door there are shelves with two galleried sections. There is a key to lock the door. The top has a standard graduated cornice. There are carved columns and carved motifs to the top. The sides are also glazed. This is an outstanding cabinet and I would say the best I have ever bought! The height is 184cm, the width is 103cm and the depth is 57cm.
