Description

This cupboard is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. It would look particularly great in any room for storage. The cupboard stands on square back legs and round turned front bun feet supporting the main section. There is one door that has one panel with an arched top and a lovely moulding around the edge. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. There is a key to lock the door. There are fluted columns and carved corbels to the sides. The top has a standard graduated cornice that is arched to the centre. This is very shallow at 88cm. The height is 175cm, the width is 88cm and the depth is 44cm.
