## Description

Superbly stylish 1930s Art Deco bleached blonde walnut chest of three drawers. Rare bleached blonde walnut veneers with a beautifully detailed pattern and grain which easily integrates with most period and modern interiors. You can sense the quality in this piece immediately, from the timbers used to the fine detailing of craftsmanship in the construction. Reasonably weighty and in turn very sturdy and feels robust. Three drawers which have matching veneers feel generously sized to house all your needs. Each drawer has its original catalin Bakelite and chrome metal handle and opens and closes very smoothly and without effort. Condition is excellent having been professionally restored. Quite unusual to find a set of drawers in this size and so versatile that it can be used in any room not just bedroom. Perhaps a very good TV cabinet, or telephone table in an entryway, the options are all there to be had.
