Description

This antique multi hat case which is made of thick brown leather dates from the early 20th century and is by top hatter Lincoln Bennett & Co of London. The beautiful case which has a wonderful patina has brass fittings, a brass lock, is nicely monogrammed J.E.W to the front, has leather inner straps and is embossed with the maker's details. This well made leather hat case is a very nice quality piece that has the remains of travel labels from it's previous owner which make this case a fascinating and decorative piece. An ideal case for storing your hats and with it's beautiful colour will look great in the home, shop display or photography / film prop. The front carrying handle is missing so cannot be carried.
