Description

A good quality pair of solid sterling silver menu holders modelled as galleons. They stand on rectangular stepped bases and both are hallmarked for London, 1901 and the makers Mappin & Webb. They weigh approximately 57g. They are in very good condition. There are some minor signs of age and use and some faint surface marks but nothing detrimental. They have been lightly cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
