Description

A lovely set of 6 silver teaspoons in their original box. They are excellent quality with two crossed golf clubs and a ball decorating the top of the handles. Each spoon is fully hallmarked for Sheffield, 1933 and Walker & Hall. The total weight of silver is approximately 79g. They are in good condition with clear hallmarks. There are some faint surface marks but no major damages and they display beautifully. They have been lightly cleaned and polished and are ready for use. The set comes in its original silk and velvet lined box, with fitted sections to hold each spoon. The interior is clean and tidy and although there are some minor signs of age and use on the outside of the box and some small scuffs around the edges it still displays well.
